Good Evening:

Both NFB and HTC sites will need to be extended due to removal activity are still in the early stages. Duration, I can't really give you that answer unless management can provide a funding plan for the next year. So I will defer to your judgement on the duration.

Thanks

Subject: Extending Guardian Task Order Period of Performance

Folks,

As you know, the POP for all Guardian Task Orders ends on April 29, 2017. The attached chart lists each of the Task Orders I believe need to be extended, for how long and why. Can you please review the information and edit as necessary. I would like to submit this to the CO by March 29, 2017, so your rapid response would be greatly appreciated.

Thanks in advance.

Mark
